Early College High School  
Presentation for 8th grade  
students during BPT

Parents and Students,

Wow! I cannot believe we are beginning the second six weeks. Please make sure to check your child's grades on a weekly basis. The students are doing a great job getting into tutorials, but that needs to continue. Remember, we are a team and must work together to ensure that your child is **SUCCESSFUL!** If your child is struggling, please make sure to set up a parent conference so that we can determine how to better meet your child's needs.

Mrs. Stacey Barber
