Extreme Reading Incentive
(After STAAR)

Behavior Incentive Dance

The STAAR test is right around the corner. Please make sure that you are doing your “Personal Best” each day. We must practice like we are going to play, which means everyday and every minute students should be working in class to be prepared for the end of the year. If you are struggling, then make sure that you are talking to your teacher and going to tutorials. We will not tolerate classroom disruptions! We must work hard to ensure that we are ready not only for the state exam, but also ready for the upcoming school year! Go Bears! Stacey Barber, Principal
