Parents and Students,

I hope that everyone had a wonderful Holiday Break! I know the students are rested and ready for the new semester. It will be busy and exciting! The students are working diligently each day to be prepared for the upcoming state assessment. Please continue to ensure that if your child is struggling or in need of assistance, that you are in communication with their teachers or their administrator. We will work hard and do our Personal Best because we are Beverly Hills!!

- All computers must be in the case that has been provided by the district. If your tablet screen is damaged, you will be responsible if it is not in the district provided case.

4th Six Week Incentive:

- For the 4th six-weeks, the students will have the opportunity to participate in a Glow Stick Dance. The dance will be during the school day and glow sticks will be provided.

- The dance will be held on February 22nd. More information to come.!

- On January 22nd, the Dobie counselors will speak to the 8th grade students about class choices for 9th grade. During lunch on the 24th, Dobie will feature all of their electives in the commons during lunch. Please make sure that your child is present this week.

Skyward Grades:

- The students are able to check their grades through Skyward. Each student logs in during homeroom on Fridays.
- The students have the opportunity to reflect on how they are doing and make a plan for tutoring or for what is needed for their classes.
- Our goal is for every student to be passing every class. Please make a plan and work to improve your grades daily.
- Thank you in advance for monitoring this to ensure that your child is successful at Beverly Hills.
